Nursing and Allied Health: Journals & Databases

Guide to NUS Libraries' Resources for Nursing

Databases

- CINAHL
- Medline
- Embase
- PsycINFO
- PubMed
- Web of Science
- Scopus
- The Cochrane Library
- UpToDate
- HAPI

Relevant databases recommended for nursing and allied health discipline

- CINAHL Plus with Full Text (via EbscoHost), 1937-

CINAHL (Cumulative Index to Nursing & Allied Health Literature) is the leading database for nursing studies, allied health, biomedicine, and healthcare. It comprises bibliographic records and selected full-text of nursing publications including books, book chapters, pamphlets, audiovisuals, dissertations, educational software, selected conference proceedings, standards of professional practice, nurse practice acts, etc. There are more than 600,000 entries.

Dietary effects on breast-cancer risk in Singapore
HP Lee, J Lee, L Gourley, SW Duffy, NE Day, J Estève - The lancet, 1991 - Elsevier
It is suspected that diet influences the risk of getting breast cancer. A study of diet and breast cancer was done among 200 Singapore Chinese women with histologically confirmed disease and 420 matched controls. A quantitative food-frequency questionnaire was used to...

WHAT IS ENDNOTE?

A BIBLIOGRAPHIC MANAGEMENT TOOL THAT:

- **STORES** CITATIONS
- **ORGANIZES** CITATIONS
- **FORMATS** CITATIONS

Benefits of Using Citation Management Tools
https://www.youtube.com/watch?v=sy9PVZAbSAQ
EndNote: Main

EndNote (EN) is a software for managing references. It can automate the many tedious steps involved in organizing and formatting the references and bibliographies in your academic writing. EndNote Web (ENW) is the web version of EN, with fewer features.

Trainings Sessions and Tutorials

- EndNote Handout Sem 1 AY 18-19

Training Schedule:

<table>

<td>TBC</td>
</tr>
</tbody>
</table>

Instructions:

- PCs will be provided for attendees who have a confirmed place, however you may still wish to bring your own laptop
- Attendees who are on the waitlist may be invited to the session, however they will have to bring their own laptops
- Please install EndNote on your laptop prior to coming to the class. Instructions on how to install EndNote can be found here: http://libguides.nus.edu.sg/endnote/install/endnote
- If you are facing any issues with installing EndNote, please contact NUS Computer Centre for assistance

For urgent EndNote assistance and queries, please contact your nearest EndNote librarian listed on the right.
THINGS TO NOTE

CREATE ENDNOTE LIBRARY:

• DO NOT PUT ENDNOTE LIBRARIES IN THE CLOUD

• SAVE A BACK-UP

• DO NOT CREATE MULTIPLE LIBRARIES AND CITE FROM MULTIPLE LIBRARIES

• TO DELETE REFERENCES PERMANENTLY, REFERENCES > EMPTY TRASH

CITE WHILE YOU WRITE:

• TO DELETE CITATION, EDIT & MANAGE CITATION(S) > DELETE

• CONVERT TO PLAIN TEXT BEFORE SENDING DOCUMENT TO A PUBLISHER OR IVLE, AS THE FIELD CODES MAY INTERFERE WITH OTHER SOFTWARE
